

Caldecott Seat 1946mm Galvanised, Galvanised & Colour or Stainless

With its simple design, the Caldecott Seat from AUTOPA is ideal for busy public areas. The seat has been designed to withstand the toughest conditions and to look good for years with only minimal maintenance.

Manufactured in the UK, the Caldecott Seat is available in galvanised mild steel or grade 304 stainless steel. All galvanised products can be coated in any BS or RAL colour (codes must be specified at time of order).

Available bolt down only.
