

Ornamental Railings

PCD39

Our **Ornamental Railings** are made to exceed the standards of BS 1722 pt 9. Design will inevitably be bespoke, and existing railing designs can be matched for renovation jobs. Posts are made from steel hollow sections and secured with high quality tamper-proof security fixings. As standard railings and posts are hot dip galvanised, and can also be polyester powder coated in any colour. Height is typically from 450mm to 3m.

Applications

Schools
Perimeter demarcation and security
Offices
Parks
Playgrounds
Residential

Product Data

Finish	Hot dip Galvanised BS EN ISO 1461:2009 and polyester coated to a range of RAL colours
