

## RoSPA Railings

**PCD25**

The UltraBar is the RoSPA compliant bow top railing system for children's playground and school perimeter fences.

The system is compliant with BS EN ISO 1176-1 RoSPA guidelines and DDA requirements.

The UltraBar system is one of the most versatile railing systems available, developed for easy erection and supplied with pre-assembled panels that simply bolt into place.

Gates of all sizes can be produced galvanised to any standard RAL colour to match the railings.

*\* Powder coated to any colour - available as an optional extra.*
