INDIVIDUAL BRICKS FOR BUILDINGS OF CHARACTER

Bricks maketh the building

Birtley's range of facing bricks incorporates a wealth of experience and originality combined with traditional values and character.

No better testimony can there be than the finished building that encapsulates everything that we at Ibstock have been striving to achieve in this range of distinctive and individual bricks from Birtley.

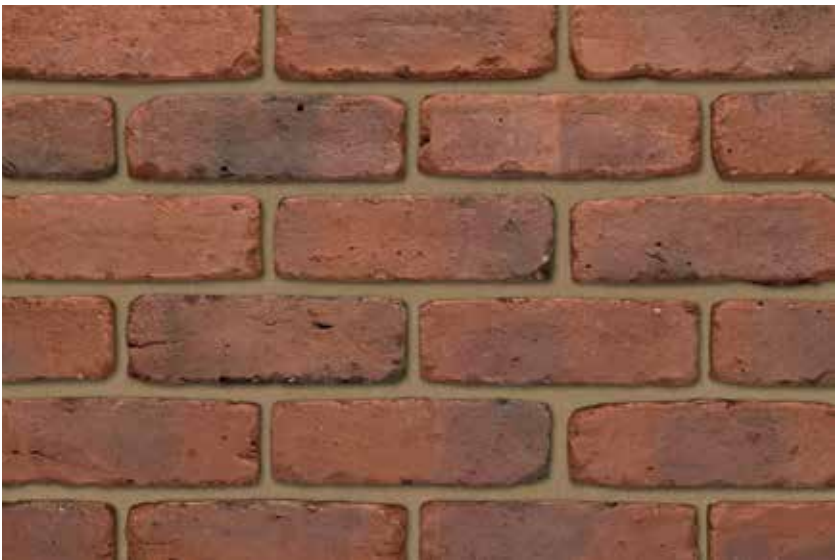

At Birtley... probably anything is possible...

- The authentic waterstruck bricks
- Manufactured for over 100 years
- Traditional production coupled with the latest firing technology for truly sustainable bricks
- Birtley is environmentally accredited to ISO 14001 and has proven responsible sourcing to BES 6001
- An extensive and varied range of colours
- All bricks available in 65 & 73mm format
- Standard and bespoke blends to meet individual requirements
- Rumbled bricks available
- All product shrinkwrapped for protection
- Samples readily available
- Free Design Advice
- Technical information available both on-line and at the end of the telephone
- Brick-matching service available
