Greenbarnes MmT Smallboards

Designed to fulfil the widespread need for small-scale, simple notice boards our unique Man-made Timber Smallboards are ideal for displaying timetables, menus, byelaws, service times and general notices and have the added bonus of requiring virtually no maintenance unlike their timber counterparts. They are for a wide range of users including councils, churches, restaurants, sports clubs and residents associations. Frames are manufactured from recycled plastic Man-made Timber which has the appearance of wood but will not rot, split or warp. Available in sizes from A4 up to A2, Smallboards can be supplied glazed or unglazed for mounting on posts, walls or railings and come as standard with self-healing rubber pinboard. Glazed boards have an integral rubber weatherseal, 2 locks per door and stainless steel hinges.
